

Data Sharing & Mapping Committee
Commission on Improving the Status of Children in Indiana
Wednesday, March 31, 2021, 9am-10am
Location: Teams
Minutes

1. Welcome
 - a. Tamara Weaver
 - b. Tyler Brown
 - c. Michael Commons
 - d. Alicia Kielmovitch
 - e. Corajeon Medina
 - f. Christine Reynolds
 - g. Julie Whitman
2. Approval of Minutes from January 27, 2021
3. Updates on Info Sharing Guide
 - a. Will be getting an intern this summer
 - b. Tamara will work with Michael and Julie to get the project in shape to have it ready for the intern
4. Vulnerable Youth Dashboard
 - a. Tyler has been working on outreach and engagement with DOE on what this dashboard is going to entail and what may be needed
 - b. Continuing to work on this and will be able to share some additional updates in the coming weeks
 - c. Metrics to prioritize (informed by Kentucky dashboard and available data): corrections (if possible), homeless, limited English proficiency, low socioeconomic status, migrant, special education, unaccompanied youth
 - i. Then being able to look at key outcomes and intersection of vulnerable youth categories
 - d. Start with Education and Workforce data for now, then next steps would be acquiring and matching the DCS data; MPH and DCS are already in conversations currently regarding some data
 - i. See what agreements we would need to have in place, talk with DCS and FSSA
 - e. Keep in mind that certain data that may exist in MPH's system were acquired for particular projects and may not be appropriate for every other project
 - f. Tyler will draft a project charter and bring it back to the next Committee meeting
 - g. Other related data/dashboards
 - i. Data gathered when created strategic plan – from IYI; they are updating the data they pulled previously
 - ii. Equity dashboard project
5. Open projects/requests
